10. Used, damaged or obsolete items are not acceptable unless specifically requested and if offered or delivered, shall be rejected and the contract may be cancelled.
11. When Bids are requested on a number of Commodities as a Group, a Bidder desiring to Bid "no charge" on a commodity in the Grouping must so indicate. Otherwise, such Bid will be considered as incomplete and may be rejected. Any Bidder failing to Bid on the minimum number of items specified in the Bid documents may have his/her Bid declared incomplete or nonresponsive, and the Purchasing Manager has the discretion to reject the Bid.
12. The Bidder must insert the price per unit specified and the price extension for each item in the Bid, if required. In the event of a discrepancy between the unit price and the extension, the unit price will govern. If there is a discrepancy in any unit price Bid between the numerical unit prices and the written unit prices, the written unit prices shall govern. Prices must be extended in decimals, not fractions.
13. Prices must be net, including transportation and delivery charges fully prepaid by Contractor to the destination(s) indicated in the Proposal, subject only to a cash discount, if applicable. If the award is to be on any other basis, transportation charges must be prepaid by the Contractor and added to the invoice as a separate item.
14. Bidders are cautioned to verify their Bids before submission, as Bids and amendments to Bids or requests for withdrawal of Bids received by the Purchasing Manager after the time specified for the Bid opening may not be considered.
15. All Bids will be opened and read publicly at the time and place set forth in the Proposal and legal notice thereof.

DO NOT SUBMIT WITH BID PROPOSAL

16. All Bids will be time/date stamped as proof of receipt. Bids received at the Office of Purchasing and Central Services after the time specified for Bid opening will be returned to the Bidder unopened. The Bidder assumes the risk of any delay in the United States Postal Service, in any other delivery service, or in the handling of the Bid by any employee of the County. Whether sent by the United States Postal Service, other delivery service, or by personal delivery, the Bidder assumes the responsibility for having the Bid submitted on time. The time clock located in the Office of Purchasing and Central Services is designated the official timepiece for submission of Bids. **A Late Bid will be rejected and cannot be considered in awarding a contract.**

IV. SAMPLES

17. The Purchasing Manager reserves the right to request a representative sample of the commodity at any time. The sample shall be furnished within the timeframe specified in the Bid package.
18. If in the judgment of the Purchasing Manager, the sample is not in accordance with the requirements stated in the Specifications and the Proposal, the County may reject the Bid; or if an award has been made, cancel the Purchase Order at the expense of the Contractor.
19. When samples are required, failure to submit them in accordance with instructions may be sufficient cause for rejecting a Bid or canceling an award.
20. When an accepted sample exceeds the minimum Specifications, all Commodities delivered will be of the same quality and identity as the sample.
21. Samples must be submitted free of charge and be accompanied by the Bidder's name and address, a statement indicating how and where the sample is to be returned to the Bidder and descriptive literature regarding the commodity. Samples will be returned at the Bidder's expense and risk.
22. All samples are subject to tests in the manner and place designated by the Purchasing Manager. Samples consumed or made useless by testing cannot be returned to the Bidder, and the County will not be responsible for any costs as a result of such testing.
23. Where the sample has not been impaired by testing and the Bidder has failed to indicate the place and mode of return of the sample, it becomes the property of the County at the conclusion of the contract period.
24. Samples may be held by the County during the entire term of the contract for comparison with deliveries.
25. A Proposal may indicate that the commodity to be purchased must be equal to a sample on display in a designated place. Failure on the part of the Bidder to examine such sample shall NOT entitle him/her to any relief from the conditions imposed in the Proposal, Specification and related documents. If feasible, standard samples will be submitted to the Bidder for his/her examination prior to the Bid opening date.
26. Cash discounts will not be considered as a basis for award in any contract.

V. AWARDS

27. The Purchasing Manager reserves the right before making an award, to investigate whether or not the items, qualifications or facilities offered by the Bidder meet the requirements set forth in the Proposal and Specifications and are sufficient to ensure the proper performance of the contract, in the event of award. The Bidder must be prepared, if requested by the Purchasing Manager, to present evidence of experience, ability and financial standing, as well as a statement as to plant, machinery and capacity of the manufacturer for the production and distribution of the commodity on which he/she is bidding. If in the opinion of the Purchasing Manager, it is found that the terms and conditions of the Proposal and the Specifications are not complied with, or that items proposed to be furnished do not meet the requirements or Specifications called for, or that the qualifications, financial standing, facilities or capacities are not satisfactory, the Purchasing

Manager may reject such a Bid. The Purchasing Manager, in no way, is required or obligated to conduct such investigation prior to awarding the contract. It is further understood that if such investigations are made, it in no way relieves the Contractor from fulfilling all requirements and conditions of the contract.

28. Contracts shall be awarded to the lowest responsive and responsible Bidder. Responsiveness is determined by taking into consideration the qualities of the articles proposed to be supplied and their conformity with the Specifications. Responsibility is determined by taking into consideration the Bidder's qualifications and their capacity and ability to meet the terms of the contract, including any historical performance record the Bidder may have with the County.
29. A Bidder may be disqualified from receiving awards if such Bidder or anyone in his/her employ, has previously failed to perform satisfactorily in connection with public bidding or contracts.
30. The Purchasing Manager reserves the right to evaluate and/or reject all Bids in whole or in part and to waive technicalities, irregularities and omissions, if in her judgment, the best interests of the County will be served.
31. The Purchasing Manager reserves the right to make awards within forty-five (45) days after the date of the Bid opening, during which period Bids shall not be withdrawn.
32. If two or more responsible Bidders submit identical Bids as to price, and all other terms and conditions are identical, preference may be given to a Bidder whose place of business is within Monroe County. Otherwise, the Purchasing Manager shall have sole discretion in making the Bid award, or all Bids may be rejected and new Bids sought by re-advertisement.

VI. CONTRACTS

33. All contracts awarded by the Purchasing Manager shall be executory only to the extent that funds are available to each department for the purchase of the work or commodity.
34. All Bids shall be received with the understanding that the acceptance thereof, in writing, by the Purchasing Manager or governing body, shall constitute a contract between the Bidder and the County. The mailing of either a Notice of Contract Award identified by number or of a Purchase Order to the address on the Bid shall be sufficient notice of such acceptance.
35. Unless otherwise specified, the quantities listed in the Proposal are subject to change to conform to department requirements.
36. The County reserves the right to order up to 10% more or 10% less than the quantities called for in the contract. This paragraph shall not apply to estimated quantity contracts. Over runs and under runs shall not exceed 10%.
37. Unless terminated or cancelled by the Purchasing Manager pursuant to the authority vested in such office, contracts will remain in force for the period specified.
38. All Purchase Orders must be in writing and must bear the appropriate contract number and the approval of the Purchasing Manager.
39. No Commodities are to be shipped or delivered until after receipt of an official Purchase Order from the County, unless otherwise authorized in writing by the Purchasing Manager.
40. The Contractor shall not assign, transfer, convey, sublet or otherwise dispose of the contract or his/her right, title or interest therein or his/her power to execute such contract to any other person, company or corporation without the prior consent, in writing, of the Purchasing Manager. (Approval by the Purchasing Manager is not required for the assignment of monies due for contract deliveries. Such assignments should be filed directly with the Purchasing Manager.)

DO NOT SUBMIT WITH BID PROPOSAL

41. No alteration or variation of the terms of the contract shall be valid or binding upon the County unless requested in writing and approved in writing by the Purchasing Manager.
42. Pursuant to the provision of Section 220-A of the New York State Labor Law, as amended, the Contractor (and his/her Sub-Contractors) will be obligated to pay all workers in the covered classes the applicable prevailing wage rates and supplements for the locality where the contract work is executed. The minimum hourly wage rate to be paid the various classes of labor performing work under this contract shall be in accordance with schedules which have been established or may hereafter be established or increased, by the New York State Department of Labor during the contract term.

VII. DELIVERY

43. Delivery must be made as ordered and in accordance with the terms of the contract. Unless otherwise specified, delivery shall be made within thirty (30) days of receipt of Purchase Order by the Contractor. The decision of the Purchasing Manager as to reasonable compliance with delivery terms shall be final. Burden of proof of delay in receipt of Purchase Order shall rest with Contractor.
44. Any extension of time of delivery must be requested in writing by the Contractor and approved in writing by the Purchasing Manager.
45. The County will not schedule any deliveries for Saturdays, Sundays or legal holidays, except Commodities required for daily consumption or where the delivery is an emergency, a replacement or is overdue, in which events the convenience of the County will govern.
46. Commodities shall be securely and properly packed for shipment, storage and stocking in new shipping containers and according to accepted commercial practice, without extra charge for packing cases, bailing or sacks. The container shall remain the property of the County unless otherwise specifically agreed to in the contract.
47. Point of Destination. All deliveries shall be unloaded at the storeroom door of the ordering County department unless otherwise stated in the Proposal or Specifications.
48. Commodities shall be purchased as Freight on Board (FOB) Destination and shall include all shipping, delivery and/or transportation charges. Delivery is not complete until Commodities have been received and accepted by the ordering department.
49. When Commodities are rejected with notice of such rejection having been provided to the Bidder, they must be removed by the Contractor from the premises of the ordering department within five (5) days from notification. Rejected items left longer than five (5) days will be regarded as abandoned, and the County shall have the right to dispose of them as its own property.

VIII. DEPOSITS

50. Unless otherwise expressly indicated, the County will refund the full amount of the specification deposit for one (1) set of Plans and Specifications submitted by each **unsuccessful Bidder** whose Bid is accompanied by the required Bid security, upon the proper return of one (1) set of Plans and Specifications within thirty (30) days of the Bid award or rejection of all Bids.
51. The County will return the full amount of the specification deposit submitted by the **successful Bidder** for one (1) set of Plans and Specifications.
52. **Partial reimbursement**, in an amount equal to the full amount of the deposit for one set of Plans and Specifications per unsuccessful Bidder or non-Bidder less the cost of reproducing the Plans and Specifications (half of the deposit amount) shall be made for the return of all other copies of the Plans and Specifications in good condition within thirty (30) days of contract award or rejection of all Bids.

DO NOT SUBMIT WITH BID PROPOSAL

53. Unless otherwise expressly indicated, bid deposits are considered earnest money of good faith and are retained by the County only until a contract has been awarded; at which time they are returned to all Bidders who submitted Proposals. Failure, on the part of a Contractor, to execute a contract, may result in forfeiture of his/her Bid deposit.

IX. PAYMENTS

54. Payments will be made by the Controller after presentation of an invoice and a properly completed goods receipt and/or voucher by the ordering Department.
55. In any case where a question of non-performance of a contract arises, payment may be withheld in whole or in part at the discretion of the Purchasing Manager. Should the amount withheld be finally paid, a cash discount originally offered may be taken by the County as if no delay in payment had occurred.
56. Any claim against a Contractor may be deducted by the County from any money due him in the same or other transactions. If no deduction is made in such fashion the Contractor shall pay the County the amount of such claim on demand. Submission of a voucher and payment thereof by the County shall not preclude the Purchasing Manager from demanding a price adjustment in any case where the commodity delivered is later found to deviate from the Specifications and Proposal. Any delivery made which does not meet the requirements of the Specifications and Proposal may be rejected or accepted on an adjusted price basis as determined by the Purchasing Manager.
57. Purchases made by the County of Monroe are not subject to State or Local sales taxes or Federal Excise taxes. To satisfy the requirements of New York State Sales Tax, either the Purchase Order issued by an agency or institution of New York State for supplies or equipment or the voucher forwarded to authorize payment for such supplies and equipment will be sufficient evidence that the sale by a Contractor was made to the County of Monroe, an exempt organization under §1116 (a) (1) of the New York Tax Law. Exemption certificates for Federal Excise taxes will be furnished upon request by the Purchasing Division. No person, firm or corporation is, however, exempt from paying New York State Truck Mileage, Unemployment Insurance or Federal Social Security Taxes. This exemption does not apply to materials not incorporated into the work of a Public Works Contract.

X. GUARANTEES BY CONTRACTOR

58. Contractor hereby guarantees:
- (a) To hold the County, its agents and employees, harmless from any liability imposed upon the County arising from the negligence, either active or passive, of the Contractor, as well as for the use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of the contract of which the Contractor is not the patentee, assignee or licensee.
 - (b) To pay for all permits, New York licenses and fees and to give all notices and comply with all laws, ordinances, rules and regulations.
 - (c) That the equipment offered is standard new equipment, latest model of regular stock product with all parts regularly used with the type of equipment offered; also, that no attachment or part has been substituted or applied contrary to manufacturer's recommendations and standard practice. Every unit delivered must be guaranteed against faulty material and workmanship for a period of one year unless otherwise specified.
59. Statement of Non-collusion in Bids and Proposals to Political Subdivisions of the State (NY GML 103-d)
- 1. Every Bid or Proposal hereafter made to a Political Subdivision of the state or any public department, agency or official thereof where competitive bidding is required by statute, rule, regulation or local law, for work or services performed or to be performed or goods sold or to be sold, shall contain the

following statement subscribed by the Bidder and affirmed by such Bidder as true under the penalties of perjury:

Non-collusive Bidding Certification.

- (a) By submission of this Bid, each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint Bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of knowledge and belief:
 - (1) The prices in this Bid have been arrived at independently without collusion, consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other Bidder or with any competitor;
 - (2) Unless otherwise required by law, the prices which have been quoted in this Bid have not been knowingly disclosed by the Bidder and will not knowingly be disclosed by the Bidder prior to opening, directly or indirectly, to any other Bidder or to any competitor; and
 - (3) No attempt has been made or will be made by the Bidder to induce any other person, partnership or corporation to submit or not to submit a Bid for the purpose of restricting competition.
 - (b) A Bid shall not be considered for award nor shall any award be made where (a) (1) (2) and (3) above have not been complied with; provided however, that if in any case the Bidder cannot make the foregoing certification, the Bidder shall so state and shall furnish with the Bid a signed statement which sets forth in detail the reasons therefore. Where (a) (1) (2) and (3) above have not been complied with, the Bid shall not be considered for award nor shall any award be made unless the head of the purchasing unit of the Political Subdivision, public department, agency or official thereof to which the Bid is made or his designee, determines that such disclosure was not made for the purpose of restricting competition.

The fact that a Bidder (a) has published price lists, rates or tariffs covering items being procured, (b) has informed prospective customers of proposed or pending publication of new or revised price lists for such items; or
 - (c) Has sold the same items to other customers at the same prices being bid, does not constitute, without more, a disclosure within the meaning of subparagraph one (a).
2. Any Bid hereafter made to any political subdivision of the state or any public department, agency or official thereof by a corporate Bidder for work or services performed or to be performed or goods sold or to be sold, where competitive bidding is required by statute, rule, regulation, or local law, and where such Bid contains the certification referred to in subdivision one of this section, shall be deemed to have been authorized by the board of directors of the Bidder, and such authorization shall be deemed to include the signing and submission of the Bid and the inclusion therein of the certificate as to non-collusion as the act and deed of the corporation.

60. Anti-discrimination Clause

During the performance of this contract, the Contractor agrees as follows:

- (a) The Contractor will not discriminate against any employee because of race, creed, color, sex or national origin and will take affirmative action to insure that they are afforded equal employment opportunities without discrimination because of race, creed, color, sex or national origin. Such action shall be taken with reference but not be limited to: recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination, rates of pay or other forms of compensation and selection for training or retraining, including apprenticeship and on-the-job training.

DO NOT SUBMIT WITH BID PROPOSAL

- (b) The Contractor will send to each labor union or representative of workers with which he has or is bound by a collective bargaining or other agreement or understanding, a notice, to be provided by the New York State Division of Human Rights, advising such labor union or representative of the Contractor's agreement under clauses (a) through (g) hereinafter called "non-discrimination clauses." If the Contractor was directed to do so by the contracting agency as part of the Bid or negotiation of this contract, the Contractor shall request such labor union or representative to furnish him with a written statement that such labor union or representative will not discriminate because of race, creed, color, sex or national origin and that such labor union or representative either will affirmatively cooperate, within the limits of its legal and contractual authority, in the implementation of the policy and provisions of these non-discrimination clauses or that it consents and agrees that recruitment, employment and the terms and conditions of employment under this contract shall be in accordance with the purposes and provisions of these non-discrimination clauses. If such labor union or representative fails or refuses to comply with such a request that it furnish such a statement, the Contractor shall promptly notify the New York State Division of Human Rights of such failure or refusal.
- (c) The Contractor will post and keep posted in conspicuous places, available to employees and applicants for employment, notices to be provided by the New York State Division of Human Rights setting forth the substance of the provisions of clauses (a) and (b) and such provisions of the State's laws against discrimination as the New York State Division of Human Rights shall determine.
- (d) The Contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, that all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, sex or national origin.
- (e) The Contractor will comply with the provisions of the Human Rights Law of the State of New York as set forth in section 290-301 of the Executive Law of New York. Contractor will furnish all information and reports deemed necessary by the State Division of Human Rights under these non-discrimination clauses and such sections of the Executive Law and will permit access to said books, records and accounts by the State Division of Human Rights, the Attorney General and the Industrial Commissioner for purposes of investigation to ascertain compliance with these non-discrimination clauses and such sections of the Executive Law and applicable Federal Civil Rights Laws.
- (f) This contract may be forthwith cancelled, terminated or suspended, in whole or in part by the contracting agency upon the basis of a finding made by the New York State Division of Human Rights that the Contractor has not complied with these non-discrimination clauses and the Contractor may be declared ineligible for future contracts made by or on behalf of the State or a public authority or agency of the State, until Contractor satisfies the New York State Division of Human Rights that he/she has established and is carrying out a program in conformity with the provisions of these non-discrimination clauses. Such finding shall be made by the New York State Division of Human Rights after conciliation efforts by the Commission have failed to achieve compliance with these non-discrimination clauses and after a verified complaint has been filed with the Division, notice thereof has been given to the Contractor and an opportunity has been afforded him/her to be heard publicly before three members of the Division. Such sanctions may be imposed and remedies invoked independently of or in addition to sanctions and remedies otherwise provided by law.
- (g) The Contractor will include the provisions of clauses (a) through (f) in every subcontract or Purchase Order in such a manner that such provisions will be binding upon each subcontractor or vendor as to operations to be performed within the State of New York. The Contractor will take such action in enforcing such provisions of such subcontract or Purchase Order as the contracting agency may direct; including sanctions or remedies for non-compliance. If the Contractor becomes involved in or is threatened with litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor shall promptly so notify the Attorney General, requesting him to intervene and protect the interests of the State of New

York.

61. Workers' Compensation. Contractor will secure Workers' Compensation and keep insured during the life of the contract for the benefit of such employees as are required to be insured by the provisions of Chapter 41 of the Laws of 1914, as amended, known as the Workers' Compensation Law and also provisions of Article 9 of the Workers' Compensation Law known as the Disability Benefits Law. The contract shall be void and of no effect unless the Contractor complies with these provisions.

XI. CANCELLATION OF CONTRACT

62. Upon failure of the Contractor to deliver within the time specified or failure to make prompt replacement of rejected Commodities when so requested, the Purchasing Manager may purchase from other sources to replace the commodity rejected or not delivered. On all such purchases, the Contractor agrees to reimburse the County promptly for costs associated with purchasing from other sources. Should the cost be less than the contract price, the Contractor shall have no claim to the difference. Such purchases may be deducted from contract quantity by the Purchasing Manager.
63. A contract may be cancelled at the Contractor's expense upon forty-five (45) days written notice by the County or immediately upon nonperformance of the contract, whichever is in the best interest of the County.

XII. DRAWINGS

64. Rough and/or shop drawings shall be furnished as deemed necessary and required by the Specifications. Such drawings shall be consistent with the contract documents and shall be considered as forming part of the Specifications and the contract to which they relate.
65. All lettering on the drawings shall be considered a part of the drawings.
66. Approval by the Purchasing Manager of shop drawings or details for any commodity will not relieve the Contractor from responsibility for furnishing same of proper dimension, size, quantity and quality to efficiently perform the work and carry out the requirements and intent of the layout or descriptive drawings forming part of the Proposal and Specifications. Such approval shall not relieve the Contractor from responsibility for errors of any sort in the shop drawings. If the shop drawings deviate or are intended to deviate from the layout or descriptive drawings on Specifications, the Contractor shall so advise the Purchasing Manager in writing at the time the shop drawings are submitted, stating the difference in value between the contract requirements and that denoted by said shop drawings.
67. Rough and/or shop drawings will be examined by the Purchasing Manager and if necessary, will be returned to the Contractor for correction. After the corrections have been made, the Contractor shall resubmit to the Purchasing Manager as many copies as required for final approval.
68. All drawings and copies thereof shall become the property of the County.

XIII. CONTRACTS INVOLVING INSTALLATION

69. Contractor shall clean up and remove all debris and rubbish resulting from his/her work from time to time as required or directed. Upon completion of the work the premises shall be left in a neat unobstructed condition, the buildings broom clean and everything in satisfactory repair and order.
70. Equipment, supplies and materials shall be stored at the site only upon the approval of the user department and at the Contractor's risk. In general, such on-site storage should be avoided to prevent possible damage or loss of the materials.
71. Work shall be performed so as to cause the least inconvenience to the County and with proper consideration for the rights of other Contractors or workmen. The Contractor shall keep in touch with the

entire operation and install his/her equipment promptly.

72. Installation shall also include furnishing of any rigging necessary to move equipment into the buildings, also the removal and resetting of any removable windows used for moving equipment into building.
73. Bidders shall acquaint themselves with conditions to be found at the site and shall assume all responsibility for placing and installing the equipment in the locations required.
74. All materials used in installation shall be of the highest quality and shall be free from all defects which would mar the appearance of the equipment or render it structurally unsound.
75. Contractor shall furnish adequate protection from damage for all work and shall repair damages of any kind for which he/she or his/her workmen are responsible.

XIV. PERFORMANCE

76. The Contractor shall not be responsible for any losses resulting from his/her failure to perform properly, if such failure was due to causes beyond his/her control and without his/her fault or negligence, including but not restricted to acts of God, wars, acts of public enemies, strikes, fires and floods, provided that the Contractor shall within ten (10) days from the beginning of any such delay, notify the Purchasing Manager, in writing, of the cause of such delay.
77. The terms, conditions and requirements set forth in these General Specifications shall be binding upon Bidders and Contractors submitting Bids or furnishing materials in connection with Proposals received or contracts awarded by the County pursuant to Purchasing Procedures promulgated by the Purchasing Manager.
