BRAND REFERENCE:

Any reference to a product by name or selection of specific price lists is done to establish the quality and performance characteristics required and to

provide a standard price list by which discounts can be compared. Items of equal or better performance and quality will be considered. All bidders must take note that submission of a bid offering other than brand name products specified on the price list requires the following:

1. Clearly state manufacturer's price list number, price column to discount, as well as the discount for the product you are offering.
2. Alternate bids from price lists of other manufacturers must offer products which directly correspond and are exact replacements for those items originally referenced in the bid. Alternate price lists must provide a minimum coverage of 90% of the items requested in the bid. Appendix A will be used to determine if this percentage is met.
3. Include two (2) copies, at the time of the bid opening, of the alternate manufacturer's price list and catalog you are offering in your bid proposal.
4. Bidders offering an alternate manufacturer must provide direct cross-references on an item-by-item basis. Failure to do so may result in rejection of the bid. Bidders will have two business days to respond to a cross-reference request by Purchasing.
5. The acceptance of a bidder's alternate rests solely with Monroe County.

Such proof may include, but is not limited to, an inspection of the bidder's facilities and equipment, financial statements, references and performance of similar contracts. **The Purchasing Manager reserves the right to reject any bid where the bidder cannot satisfy the County as to their ability to perform.** Monroe County reserves the right to reject any and all bids if the Monroe County Purchasing Manager deems said action to be in the best interests of Monroe County.

METHOD OF AWARD:

Monroe County intends to award a contract to the lowest responsible and responsive bidder. **The lowest bid will be determined by applying discounts to price list column as indicated on the Discount Price Sheet. The County reserves the right to reject any and all bids** if the Purchasing Manager deems said action to be in the best interest of the County.

CONTRACT TERM:

Contract will start with the date of the contract award and run through **April 30, 2026**, with the option to extend the contract for up to four (4) additional twelve (12) month terms with the mutual consent of both parties. In the event a manufacturer releases a new price list during the contract term, the contractor must provide the County with two (2) copies of the updated price list and catalogs at least one (1) week prior to it taking effect. The

County will honor the manufacturer's price list in effect at the time the order is placed, providing the County is in receipt of such price list.

PRICE CHANGES:

Price changes may be proposed by either party no later than forty-five (45) days prior to contract extension, based upon manufacturer price changes which must be supported with documentation. Usage of this contract by any of these other political subdivisions or districts will have to be coordinated between that subdivision or district and the contractor. Orders placed against this contract between any subdivision or district will be contracts solely between the Contractor(s) and those entities. Monroe County will not be responsible for, nor will it have any liability or other obligation for, such contract between the Contractor(s) and any third party.

INDEMNIFICATION:

The Contractor agrees to defend, indemnify and save harmless the County, its officers, agents, servants and employees from and against any and all liability, damages, costs or expenses, causes of action, suits, judgments, losses and claims of every name not described, including attorneys' fees and disbursements, brought against the County which may arise, be sustained or occasioned directly or indirectly by any person, firm or corporation arising out of or resulting from the performance of the services by the Contractor, arising from any act, omission or negligence of the Contractor, its agents and employees or arising from any breach or default by the Contractor under this Agreement. Nothing herein is intended to relieve the County from its own negligence or misfeasance or to assume any such liability for the County by the Contractor.
